

Years	Project Name	Scops of work	Customer Name
2004	ENERGY MANAGEMENT SYSTEM LOCATION : NSTDA-PATHUM THANI	Material and Labor Supply for 1. Installation for Cable Tray, Cable tube&conduit from power meter at all building MDB to Control Center Room 2. Installation for signal cable form power meter at all building MDB to Control Center Computer	Amptron Instruments Co.,Ltd.
2004	Electrical work for Material and Erection Scope LOCATION : Larch & Laurel Co.,Ltd.-BANGKOK	Material and Labor Supply for 1. Installation for Lighting System for Office Building 2. Installation for Fire Alarm System for Office Building	Larch & Laurel Co.,Ltd.
2004	POWER METER INSTALLATION LOCATION : Thai Caprolactam Public Co.,Ltd.-RAYONG	Material and Labor Supply for 1. Installation for Power Meter on 22kV Switchgear Panel for Remote Monitoring System 2. Modify the exsiting control circuit for new Power Meter and Testing	Thai Caprolactam Public Co.,Ltd.
2004	115/22kV EXTENSION SUBSTATION LOCATION : Kasemsahdi Trading Co.,Ltd.-PETCHBURI	Material and Labor Supply for 1. Installation for HV equipment in 115kV switchyard (Disconnecting Switch, Current Transformet, Circuit Breaker) 2. Installation for Cable Tray, Cable tube&conduit from 115kV Switchyard to control building 3. Installation for 115kV Control Panel and control cable wiring 4. Installation for Contol Cable, Power Calble from 115kV Switchyard to control building completed wiring 5. 115 & 22kV Cable Termination and Cable Hi-pot test	ABB
2004	ENERGY MANAGEMENT SYSTEM & PORTABLE LOCATION : Canon Engineering Co.,Ltd.-AYUTHAYA	Material and Labor Supply for 1. Supply for Poration of Power Meter 2. Installation for Cable Tray, Cable tube&conduit from power meter at all building MDB to Control Center Room 3. Installation for signal cable form power meter at all building MDB to Control Center Computer 4. Modify the exsiting control circuit for new Power Meter and Testing	Canon Engineering Co.,Ltd.
2004	115/22kV IPP SUBSTATION LOCATION : Thai Aero-Flex Co.,Ltd.-RAYONG	Service work for 1. Engineering work of Design Function, Control circuit for 115/22kV Substation and Power System study : Short circuit calculation. Relav Protective Settins 2. Test & Commissioning 115&22kV Switchgear	M.R.V. Engineering Co.,Ltd.
2004	ENERGY MANAGEMENT SYSTEM & PORTABLE LOCATION : Daisin Co.,Ltd.-KORAT, NAKORN	Material and Labor Supply for 1. Supply for Poration of Power Meter 2. Installation for Cable Tray, Cable tube&conduit from power meter at all building MDB to Control Center Room 3. Installation for signal cable form power meter at all building MDB to Control Center Computer 4. Modify the exsiting control circuit for new Power Meter and Testing	Daisin Co.,Ltd.
2005-2006	NYE COGENERATION PROJECT (1.5MW) LOCATION : NANYANG ENERGY Co.,Ltd.-	Material and Labor Supply for 1. Engineering work for Equipment Installation 2. Installation for 22kV Switchgear and control cable wiring 3. Installation for Cable Tray, Cable tube&conduit in Power Plant and Control Building 4. Installation for LV Switchgear, MDB and Plant Control Pane 5. Installation for Instrument Cable, Contol Cable, Power Calble from Power Plant to Control Building 6. Installation for Fiber Optic Cable from Control Building to Existing Plant (Nanyang Spinning Factory) 7. Modify control circuit in existing MDB for Load Shedding 8. 22kV Cable Termination and Cable Hi-Pot test	ABB
2005	ENERGY SAVING LOCATION : KMITL-LADKRABANG/BANGKOK	Material and Labor Supply for 1. Installation for Pull-down switch 600 sets	สถาบันเทคโนโลยีพระจอมเกล้าเจ้าคุณทหารลาดกระบัง
2005	ENERGY MANAGEMENT SYSTEM LOCATION : Saraburi Sugar Co.,Ltd.-SARABURI	Material Supply for 1. Supply for Power Meter AI205 13 sets 2. Engineering work for Power meter installatior	Saraburi Sugar Co.,Ltd.
2006	Metering Panel LOCATION : ABB Limited-BANGKOK	Material and Labor Supply for 1. Supply for Metering Panel complted board wired 5 sets 2. Engineering work for Internal wiring and Installatior	ABB
2006	ENERGY MANAGEMENT SYSTEM LOCATION : Pro Pet (Thailand) Co.,Ltd.-SINGBURI	Material Supply for 1. Supply for Power Meter AI205 2. Engineering work for Power meter installatior	Pro Pet (Thailand) Co.,Ltd.

Years	Project Name	Scops of work	Customer Name
2006	SSC COGENERATION PROJECT (1.5MW) LOCATION : SAHASIN WATTANA COGENERATION Co.,Ltd. CHANTHABURI	Material and Labor Supply for 1. Engineering work for Equipment Installation 2. Installation for 22kV Switchgear and control cable wiring 3. Installation for Cable Tray, Cable tube&conduit in Power Plant and Control Building 4. Installation for LV Switchgear, MDB and Plant Control Pane 5. Installation for Instrument Cable, Contol Cable, Power Calble from Power Plant to Control Building 6. Installation for Fiber Optic Cable from Control Building to Existing Plant (Nanyang Spinning Factory) 7. Modify control circuit in existing MDB for Load Shedding 8. 22kV Cable Termination and Cable Hi-Pot test	Schneider (Thailand) Co.,Ltd.
2006	New Power Meter Modify LOCATION : Thai Laemchabang Terminal Co.,Ltd.- CHONBURI	Material and Labor Supply for 1. Installation for new Power meter on 22kV Switchgear Panel & MDB Panel 2. Installation for new CT in MDB 3. Modify the exsiting control circuit for new Power Meter and Testing	Thai Laemchabang Terminal Co.,Ltd.
2006	SSC COGENERATION PROJECT (1.5MW) LOCATION : SAHASIN WATTANA COGENERATION Co.,Ltd. CHANTHABURI	Material and Labor Supply for 1. Engineering work for Equipment Installation 2. Installation for Cable Tray, Cable tube&conduit in Power Plant and Control Building 3. Installation for Instrument Cable, Contol Cable, Power Calble from Power Plant to Control Building 4. Generator Protection/Control Test & Commissioning	Sahasinwattana Cogeneration Co.,Ltd.
2006	Spare Part Supply LOCATION : Nakornthai Strip Mill Public Co.,Ltd.-	Material Supply for 1. Supply for spare part of Switch Type : SGC-52/2750A of MESA	Nakornthai Strip Mill Public Co.,Ltd.
2007	6MW Motor Starter Project LOCATION : PTT/CHEM-RAYONG	Material and Labor Supply for 1. Engineering work for Equipment Installation 2. Installation for Cable Tray, Cable tube&conduit in Power Plant and Control Building 3. Installation for Instrument Cable, Contol Cable, Power Calble from Power Plant to Control Building 4. Modify control circuit in existing 22kV Switchgear for Large Motor Starting 5. 22kV Cable Termination and Cable Hi-Pot test	Schneider (Thailand) Co.,Ltd.
2007	SSC COGENERATION PROJECT (1.5MW) LOCATION : SAHASIN WATTANA COGENERATION Co.,Ltd. CHANTHABURI	Material and Labor Supply for 1. Engineering work for Equipment Installation (Boiler System) 2. Installation for Cable Tray, Cable tube&conduit in Power Plant and Control Building (Boiler System) 3. Installation for Instrument Cable, Contol Cable, Power Calble from Power Plant to Control Building (Boiler System)	Vickers Hoskins (M) SDN.BHD.
2007	ELECTRICAL SYSTEM PROJECT LOCATION : Kerry Siam Seaport-CHONBURI	Material and Labor Supply for 1. Engineering work for Equipment Installation 2. Installation for Cable Tray, Cable tube&conduii 3. Installation for Contol Cable, Power Calble	Larch & Laurel Co.,Ltd.
2007	PT SUGAR LABINTA Project LOCATION : PT SUGAR-INDONESIA	Material Supply for 1. Supply for 3.3kV, 1250A, 25kA MV Switchgear 2. Supply for AC/DC Board 3. Supply for Battery & Battery Charger, 125Vdc, 110Ah 4. Supply for Diesel Generator 640kVA 5. Supply for NGR for 3.3kV Syatem, 100A, 10 sec.	Hexa Thailand Corporation Ltd.
2007	SSC COGENERATION PROJECT (1.5MW) LOCATION : SAHASIN WATTANA COGENERATION Co.,Ltd. CHANTHABURI	Material and Labor Supply for 1. Supply for completed board wire of MCC Local Panel 2. Installation for Cable Tray, Cable tube&conduit in Power Plant and Control Building (Fire&Cooling pump) 3. Installation for Instrument Cable, Contol Cable, Power Calble from Power Plant to Control Building (Fire&Cooling pump)	Sahasinwattana Cogeneration Co.,Ltd.

Years	Project Name	Scops of work	Customer Name
2007	New Refinery oil Plant Project LOCATION : Tarwon Refinement Oil Co.,Ltd-SRAKEAW	Material and Labor Supply for 1. Engineering work for Electrical Design and Installation Design 2. Supply for MDB, MCC, PLC for Process Control & Monitoring 3. Supply for Instrument Cable, Control Cable & Power Cable 4. Installation for Cable Tray, Cable tube&conduit in Plant Process and Control Building 5. Installation for MDB, MCC and Plant Control Panel 6. Installation for Instrument Cable, Control Cable, Power Cable from Power Plant to Control Building 7. Installation for Plant Grounding and Lightning Protection System 8. Process Control Programming 9. Test & Commissioning	Siam T&S Engineering Co.,Ltd.
2007	Panel for ATD,AVR and Revenue meter LOCATION : PTT-RAYONG	Material Supply for 1. Supply for completed board wire of ATD Panel 2. Supply for completed board wire of AVR Panel 3. Supply for completed board wire of Revenue meter Panel	Thai Shinryo Ltd.
2007	Phu Kham Copper Mining Project (13 sets of Container Substation) LOCATION : AUSENCO-LAOS	Material and Labor Supply for 1. Engineering work for Equipment Installation 2. Installation for 22kV Switchgear and control cable wiring 3. Installation for Cable Tray, Cable tube&conduit 4. Installation for LV Switchgear, MDB and Marshalling Panel 5. Installation for Instrument Cable, Control Cable, Power Cable	Schneider (Thailand) Co.,Ltd.
